Member Benefits

British Cycling - Introductory membership discount for club members

A benefit of FCCC's affiliation to British Cycling is that club members can get a substantial discount off their first year's membership of British Cycling if they haven't been a member before.

To take advantage of this, simply use one of the promotional codes below when you join British Cycling for the first time.

£24 off any Race membership: use promotion code NEWCMRA at the checkout.

50% off Ride membership: use promotion code NEWCMRD at the checkout.

Go to [this link](#) on British Cycling's website for more details.
