

FARNBOROUGH & CAMBERLEY C.C.

Newsletter – October 2018

Welcome to the latest, and final (sniff!) edition of the club newsletter.

In the previous newsletter we told you that we were planning some major changes to how we deliver the club news to our members, and we've been busy putting that into place. So this will be the final newsletter, but we're carrying on delivering club news, just in a different way. We're doing this so that we can deliver the news to you in a more timely manner, to keep the website more up to date (making it look more appealing to prospective and existing members, and to Google too), and to spread out the load of generating news updates.

So we've started posting the news on, appropriately, the [News page](#) of the club website, and also on the [club Facebook page](#). Don't worry if you don't use Facebook, because we won't post anything important there that isn't also on the website News page. The most recent news items are at the top of the News page.

Subscribing to Club News

If you don't want to keep checking the News page for updates, then you can sign up to receive email updates whenever a new item is added. To do this:

- Go to the club website [News page](#), scroll down to near the bottom and you should see a small section entitled "Subscribe To News Via Email". Important note - you have to be on the News page for this, since this subscription section doesn't appear on other pages.

SUBSCRIBE TO NEWS VIA EMAIL

Enter your email address to subscribe to news topics for this website and receive notifications of new posts by email.

- Enter your email address and hit the black “Subscribe” button.
- You should then receive an email from the website asking you to confirm that you really want to subscribe to these updates (check your spam folders if you can’t see it), and once you do so via the confirmation button in that email, you will receive an email every time there’s a new item of news.

If you don’t want to sign up for email updates, then you won’t receive anything. And if you change your mind then you can unsubscribe or re-subscribe at any time. Please note that these emails won’t include items posted before you signed up, so please do go and check out the News page once you subscribe because there may well be articles there that you haven’t seen yet.

If you have any views/ideas on how we’re delivering the news, then please feel free to contact us at newsletter@fcc.org.uk with your thoughts.

Farewell from the newsletter, and check out the website and our Facebook page for all of the latest club news.
